In determining the long-term incentive component of CEO compensation, the Committee will also consider, among such other factors as it may deem relevant, the Company’s performance, shareholder returns, the value of similar incentive awards to chief executive officers at comparable companies and the awards given to the CEO in past years.
2. Review and approve on an annual basis the adequacy and form of compensation and benefits of all other executive officers and directors, and make recommendations to the Board in that regard.

6. Prepare any report as may be required under applicable securities law, stock exchange and any other regulatory requirements.
7. Prior to any public disclosure, review and approve executive compensation disclosure.

8. Review and reassess the adequacy of this Charter annually and recommend to the Board any changes deemed appropriate by the Committee.
